

August 14, 2024

Dear Community Health Coalition Community,

On behalf of the Board of Directors, I am delighted to announce that Charles Clark will join Community Health Coalition (CHC) as our new Executive Director/Resource Development Officer (ED/RDO) effective August 19, 2024. In this new role, he will report directly to the board and lead the organization's strategic vision, fundraising efforts, and operational management to achieve long-term sustainability and community impact.

Charles is a fundraising professional with over a decade of experience helping educational institutions and non-profit organizations achieve revenue, operations, and program initiatives. His fundraising career began at North Carolina Central University School of Law, where his passion for philanthropy, strategic planning, and operational sustainability was ignited. Throughout his career, he has managed the day-to-day operations of gifts and donor relationships, led annual fundraising appeal programs, capital campaigns, strategic planning for future sustainability, and cultivated relationships with key external partners and stakeholders. His passion is to work for and with organizations that stand out in uniqueness, service, community, and love.

Charles is deeply committed to CHC's growth and long-term stability. He is eager to collaborate with you to propel our mission and ensure the continued success of our organization.

Charles resides in Raleigh, NC, with his wife, Adriane, and their three-year-old son, Greyson. He received his Bachelor of Arts in Communications with a concentration in Public Relations from Saint Augustine's University. Furthermore, Charles is pursuing his master's degree and is a Certified Fundraising Executive (CFRE) candidate. He enjoys singing, taking trips with his family, and making people laugh and smile. Charles' life's motto is to be the salt of the earth while leaving imprints of change and impact.

As we welcome Charles to CHC, I want to express our deepest gratitude to Dr. Ruth Gilliam Phillips for her dedication and service to the organization during her tenure as Executive Director. She has been a driving force in advancing our mission and making a lasting impact on our community. We are incredibly thankful for her contributions and wish her every success in her future endeavors.

Please join me in welcoming Charles to CHC and thanking Dr. Ruth for her service.

Best regards,

La'Toria Jallah
Board President
Community Health Coalition
